

Ravensden Plc – Declaration of Substances of Very High Concern (SVHC) / REACH Conformity

REACH is a European Regulation (No 1907/2006) concerning chemicals and their safe use. It aims to improve the protection of human health and the environment through a system of Registration, Evaluation, Authorisation and Restriction of Chemicals.

Based on the information contained in our technical file and our knowledge of the materials from which the products are made we declare that all of products currently in our range do not contain substances restricted by the REACH regulations (Regulation (EC) No 1907 / 2006) in amounts exceeding 0.1% of the whole product.

The current Candidate List of Substances of Very High Concern for Authorisation (published in accordance with Article 59(10) of the REACH Regulation) with 235 substances (as of the 14th June 2023) can be viewed at - <http://echa.europa.eu/candidate-list-table>

Ravensden will continuously review the ECHA Candidate List for additions and updates and act accordingly in compliance with REACH regulations.

If you require any further information please do not hesitate in contacting us.

Michael Papé
Director, 14th June 2023
